# About upGrad

**Ronnie Screwvala**  
Co-founder & Chairman

upGrad

“

**upGrad** is an online higher education provider that enables individuals to develop their professional potential in the most engaging learning environment. Online education is a fundamental disruption to the traditional model and will be having a far-reaching impact. At upGrad, we work towards

transforming this online education wave into a tsunami! We take a full scale approach, by leveraging content, technology, marketing and services, to offer quality education at scale in partnership with corporates and academia. This translates into rigorous industry relevant programs for individuals looking for a professional upgrade.

With upGrad, we promise an immersive learning experience that equips learners with the perfect business, technical and managerial skills and organizations with extremely skilled and talented resources

**Our aim is simple: We strive to create high-impact, on-campus hands-on experiences that prepare learners for meaningful and productive careers.**
